The screenshot displays the CORA RDR website interface. At the top left is the logo for CORA, labeled "Repositori de Dades de Recerca". The top navigation bar includes links for Home, About, Search, User Guide, Contact, English, and Log In. Below the navigation is a search bar with the placeholder text "Search this dataverse..." and a magnifying glass icon, followed by an "Advanced Search" button. A statistics section below the search bar shows four categories: "UNIVERSITIES & CERCA CENTERS" with 29 items, "DATASETS" with 306 items, "FILES" with 8,394 items, and "DOWNLOADS" with 26,889 items. Below this is a horizontal carousel of institutional logos, including Vall d'Hebron Recerca, UVIC (Universitat de Vic, Universitat Central de Catalunya), Universitat Ramon Llull, ULC Barcelona, IDIBGI (Institut d'Investigació Biomèdica de Girona Dr. Josep Trueta), and IRB Barcelona. At the bottom, there are filter options for "Dataverses (102)" and "Datasets (306)", both with checked checkboxes. The results are shown as "1 to 10 of 408 Results". A "Sort" button is located on the right side of the results area.
